

ULI Triangle sponsors comprise the leading real estate companies in the region.

Annual Sponsorship

Annual sponsors receive excellent benefits for their contributions and the satisfaction of knowing that 100% of the funds support local programs, educational activities, community outreach and research. ULI members are community builders who develop and redevelop neighborhoods, business districts and communities throughout the U.S. and the world. ULI Triangle is a self-sustaining organization that relies on the generous support of its sponsors to advance the initiatives and mission of the organization. With more than 670 members throughout the Triangle and Eastern region of North Carolina, sponsorship is a catalyst for leadership in land use.

Our Mission

To provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide. ULI Triangle carries forth that mission by serving the Triangle and Eastern North Carolina's public and private sectors with pragmatic land use expertise and education.
